

Matfield Speeding

Village Hall: facing A21 (March 5 – April 2, 2026)

- 8% of cars over 35 mph, slightly below normal levels.
- 18 cars exceeded 55 mph, including one at 4.25pm
- This includes 5 cars exceeding 60 mph, worrying given the corner near the village hall has limited visibility.
- Thankfully, most of these were during the late evening or early morning.
