

Matfield Speeding

Matfield Hall: facing Paddock Wood - (Sept 18 till Oct 16)

9% of cars exceeded 35 mph

A little over 5,000 cars a day passed through the village towards Paddock Wood. Around 9% of these were over 35 mph which is a little below normal levels, perhaps due to the road works.

Dangerous speeds

21 cars exceeded 55 mph. As usual, most of these were in the late evening or very early morning. Of these, two were in excess of 60 mph, one at 1.40am and one at 9.40pm. Arguably, the most dangerous speeder was the one that went through the village at 3.40 pm.
