

Matfield Speeding

Matfield Hall: facing Paddock Wood - (Jan 8 till Feb 5)

6% of cars exceeded 35 mph, lower than usual

Around 4,400 cars a day passed through the village towards Paddock Wood, around 15% below normal levels, probably due to roadworks. Around 6% of these were over 35 mph – nearer 10% is more typical.

Dangerous speeding down

Excessive speeding was down on previous occasions. Six cars exceeded 55 mph compared to 21 the last time the SID (Speed Indicator Device) was in this position. All were in the late evening or very early morning. Of these, one was in excess of 60 mph.
