

Matfield Speeding

Homebush Green: Heading to Paddock Wood - (May 28 till June 25)

- Around 75,000 cars drove towards Paddock Wood from Matfield over the 29 days. 11% of these were over 35 mph, much higher than the 8% seen in February.
- 36 cars exceeded 50 mph, but unlike the last time the SID was at this site, thankfully none were over 60 mph.
- Of the 36 cars over 50 mph, 13 were between 8am and 7pm.
