

Grants for community groups climate projects

TWBC is offering grants of up to £1,000 for local projects focused on engaging with local communities and residents to take ownership over climate action across the borough.

Eligible projects include (not limited to):

- Tree planting
- Organising litter picks/purchasing better equipment
- Expand or start a repair cafe
- Open a community fridge
- Purchase a community composter
- Organise a local fair
- Organise local training (Carbon Literacy)

Please head over to our Climate action website or email sustainability@tunbridgewells.gov.uk to receive the guidance document and application form.

The deadline for applications is 4 July.
Please email us if you have any questions.
