

# Recycling Mobility Equipment

## NHS and Kent County Council Supplied Equipment

Items supplied by the NHS or loaned by the council are barcoded and may be returned to NRS Healthcare who will assess and clean equipment before reuse. You can organise collection by phoning NRS Healthcare on 01622 235300 or by emailing [enquiries@kent.nrs.uk.net](mailto:enquiries@kent.nrs.uk.net). For wheelchairs only, please call Millbrook on 0330 124 4485 to arrange collection.

## Inhaler Recycling

On a related note, you can really make a difference by returning your old or used inhalers to a participating pharmacy - all Boots pharmacies participate in the recycling scheme. This is a project set up by pharmaceutical company GlaxoSmithKline in order to help reduce the emission of greenhouse gases. A list of recyclable products can be found on:
