22 January 2025

To residents of:

Blind Lane
Holly Bank
Windmill Hill
Pixot Hill
Crook Road

Dear Resident,

Following concerns raised by residents, and as detailed on the Parish Council's Highways Improvement Plan (live priority number 1), Brenchley and Matfield Parish Council and Kent County Council's Highway Improvements Team have been reviewing speed limits on the roads approaching the Pixot Hill crossroads (see map attached) to make the following changes:

- Pixot Hill/Crook Road/Brenchley Road – the proposed 30mph could be from the start of the existing 40mph on Pixot Hill and Crook Road and running it to the start of the 30mph at the southern end of Brenchley Road and the northern end of Windmill Hill.
- Crook Road past the junction with Pearsons Green Road – the proposed 30mph could start just before Temple Farm to the east (where Yew Tree Green Road becomes Crook Road) and run to Little Crooke Cottage, just west of Palmers Green Lane.

Ahead of any statutory consultation, we are canvassing local opinion and we have provided this feedback questionnaire for you to tell us your views.

If there is no clear consensus, or a strong view that speed limits should be reduced, then these proposals may be abandoned. Either way, the outcome of this pre-consultation engagement will be discussed in detail by the Parish Council and the feedback will be taken into account as part of any decision-making process.

If you would like more information on this proposal please call Cllr Churchill on 07901 770256.

Thank you.

Cllr Christine Churchill
Brenchley and Matfield Parish Council
