

Brenchley Speeding

Market Heath: traffic coming from Matfield (June 26 till July 23)

- Around 84,000 cars drove towards Brenchley from Matfield over the recording period. About 10% of these were over 35 mph, fairly typical for this site.
- 36 cars exceeded 50 mph, with two over 70 mph, both in the late evening.
- Perhaps most worrying was the car recorded between 60-65 mph, at 4.15 in the afternoon.
